identity manual

Section 1  Corporate Identity Controls
Section 2  Stationery Controls
Section 3  Identity Application Signage
This SACU Corporate Identity Manual contains the rules and guidelines as they relate to the correct visual portrayal of the SACU as a Brand.

There are guidelines for the official colours, fonts (typefaces), as well as other visual iconography, and how they may be merged into acceptable documents or communications.

Please do not use this manual to replicate artwork. Original digital artwork is available (for PC or Mac) on the Compact Disc supplied.

We are not in a position to supply artwork in other format unless it is specifically required for paid for productions, or advertising.

The logo may not be used if it does not conform to these guidelines.

If you have any queries please contact:
Director: Corporate Services
Tel: (264) 61 243 950
Email: sacusec@sacu.int

Please note that these pages were printed on a laserprinter and colours are not 100% accurate.
Corporate signature

The SACU corporate signature is our single most important identifier. It is intimately linked with our services and will come to embody many emotional aspects as well. The corporate signature comprises of the logo (5 countries with their colour swich), the logotype and descriptor, all which appear in specific proportional arrangements, and spacing and size relationships.
Technical specifications - colour

The SACU logo may appear as:
A full colour logo (CMYK)
As greyscale
As black and white.

*The Corporate Colours are to be matched to the official colour swatches supplied in this manual.*

**FULL COLOUR DISTRIBUTION**

**SINGLE COLOUR DISTRIBUTION (GREYSCALE)**

**SINGLE COLOUR DISTRIBUTION (SPOT)**

Only use official digital artwork. Do not try to reproduce, scan or trace the logo from this manual or any other printed or digital application. Official digital artwork is available from the Corporate Services Directorate. The logo may only be used in the official corporate colours as described in this manual. The CD supplied, contains all elements for reproduction and print.

Formats include: Freehand for mac, Encapsulated postscript, tif, jpeg and coreldraw for pc.

*NB: It is advised that the letterhead and continuation sheet be printed in order to retain the correct colours from a litho press. The sheet can then be fed into any laser or jetprinter with text from msword or other word processing programmes.*
Corporate colours

The SACU colours are an integral part of the visual identity. The specified colours must be used at all times and applied correctly for visual continuity and branding.

Process colours (CMYK) refer to full colour printing applications.

Blue
- Process: Cyan 100%

Dear John

Two silly chrysanthemums abused umpteen trailers, although two irascible subways marries five bourgeois Jabberwockies. Umpteen putrid chrysanthemums sacrificed one lampstand. Bourgeois cats marries Batman. Five putrid aardvarks tickled one irascible dwarf. The quixotic fountain laughed, and two progressive poisons grew up. Umpteen extremely silly aardvarks abused two schizophrenic Klingons.

The subway fights five quixotic bureaux, although umpteen obese dogs grew up, yet two orifices tastes umpteen poisons. Two purple wart hogs auctioned off five progressive fountains.

Two mats abused five chrysanthemums. Trailers quickly auctioned off the Macintoshes. One lampstand tastes Santa Claus, because two Macintoshes comfortably kisses one poison, then five mostly irascible cats auctioned off two obese bureaux, although five extremely schizophrenic pawnbrokers abused Batman, however the obese wart hogs noisily towed one fountain, yet the poisons abused Santa Claus, however Batman auctioned off umpteen almost putrid mats, then one mostly bourgeois orifice abused five extremely silly fountains. Umpteen obese chrysanthemums auctioned off the wart hogs, because pawnbrokers grew up, yet the Jabberwockies ran away, but umpteen sheep gossips, yet five cats untangles umpteen pawnbrokers, then Afghanistan sacrificed Minnesota. The orifice gossips lamely. Five schizophrenic cats annoyingly tickled mostly purple chrysanthemums.

Two mats abused five chrysanthemums. Trailers quickly auctioned off the Macintoshes. One lampstand tastes Santa Claus, because two Macintoshes comfortably kisses one poison, then five mostly irascible cats auctioned off two obese bureaux, although five extremely schizophrenic pawnbrokers abused Batman, however the obese wart hogs noisily towed one fountain, yet the poisons abused Santa Claus, however Batman auctioned off umpteen almost putrid mats, then one mostly bourgeois orifice abused five extremely silly fountains.

Yours sincerely

Peter Black
Compliment slip

This page shows a typical layout for a DL compliment slip as an example. Actual size: 210 x 99mm. Shown here at 65% of the actual size. The compliment slip must always be printed in full colour. Stock: Conquerer Brilliant White, 100gsm. Only use official digital artwork. Do not try to reproduce, scan or trace the logo from this manual or any other printed or digital application.

Official digital artwork is available from the Corporate Services Directorate.
External signage

Signage is the most visible element of our Brand. Not only does it communicate our brand effectively, but it also communicates any relevant information which we wish to express.

Official digital artwork is available from the Corporate Services Directorate.
Vehicle application

The SACU logo together with the telephone number and email address are placed on the driver and front passenger seat doors. On larger vehicles such as vans, the logo is placed towards the back of the vehicle.

*Official digital artwork is available from the Corporate Services Directorate.*
